

Kelso School District

Developmental Screening for Preschoolers

Do you or your health care provider have a concern that your child may have a developmental delay? Do you reside in the Kelso School District and have a child 3-5 years of age? If so, call us for an appointment.

- Your child will be screened in hearing, vision, speech/language, social/emotional, life skills, concepts and motor skills.
- Results are confidential.
- Screening services are provided FREE!
- Birth to 3 screenings also available – please let us know if you are interested when you call to set up your screening.
- Appointment required.

Date: January 17, 2018

Location: Catlin Elementary School

For screening information and appointment, please call (360) 501-1593

Kelso School District is committed to addressing the unique needs of students with disabilities ages birth through 21 residing within the boundaries of the Kelso School District. This includes children with disabilities enrolled in private, including religious, schools, as well as children who are homeless. Disabilities can be in any one of several areas that ultimately affect a child's learning, such as the ability to think, to express oneself, to see or hear clearly, to get around, or understand instructions given. If you have a child who you think might have a disability requiring special education instruction or significant accommodations at school, or if you know of such a child, please feel free to call the Kelso School District, at (360) 501-1909.
